

NXG Hub Job Readiness Checklist

Use this guide to prepare for applications, interviews, and workplace opportunities.

1. Clarify your target role and write down the skills employers ask for most often.
2. Update your CV with measurable results, relevant tools, and recent projects.
3. Prepare a short introduction that explains who you are and what you can do.
4. Review the company, role, and industry before every interview.
5. Practice common interview questions with clear examples from your work.
6. Prepare thoughtful questions about the team, expectations, and growth path.
7. Check your internet, device, portfolio links, and documents before the meeting.
8. Send a follow-up message thanking the interviewer and restating your interest.

Quick action plan:

- Pick one role to focus on this week.
- Apply to three relevant opportunities.
- Practice one mock interview with a friend, mentor, or peer.
